Skånekarta

Brösarps backar
Stenshuvud
Area for exercises
Hostel “Gladan och Vråken”
What to do...

- Geomorphology in field
- Maps, GPS, compass, coordinates
- Topography mapping
- Tree measurements
Schedule

Monday
- We meet 8:45 at the entrance of Geocentrum
- Before lunch: Visit Brösarps backar and Stenshuvud (including group presentations)
- Lunch in Kivik (you can buy fish or other food, or bring own food)
- Leave luggage at the hostel
- Geomorphology walk with Ulrik
- Leisure time (buy food in Brösarp, dinner, etc)

Tuesday-Thursday
- Exercises (two 4 hours exercises per day, in groups)
- Thursday evening: cleaning, drive back (home around 20)
Things to bring

- Boots (water proof)
- Outdoor clothes (look at the weather forecast)
- Rainwear
- Sheet/Sleeping bag
- “Fika” for Monday if you need something before lunch
