Academic writing in English

Open online courses on academic writing

Two MOOCs (Massive open online courses) in academic writing have been developed at Lund University: Writing in English at University and Akademiskt skrivande (in Swedish).

The courses are intended to be a resource for students and teachers at Lund University, but are open to everyone. See below for more information about each course.

All the lectures are freely available on Youtube:

Playlist for Writing in English at University
Playlist for Akademiskt skrivande

Access to all the course material is obtained by enrolling in the course on the Coursera platform. To create an account all you need is an e-mail adress. The courses have flexible enrolment, so sign up today!
